Re: Changes in the ownership of F & D Partners, Inc. – Case Number: REG 2024-015

Dear Mr. Chicoine,

I am writing this letter to let you know of the change in ownership to F & D Partners, Inc. On May 31st, 2024, a shareholder's minute was held at F & D Partners, Inc offices and was agreed as following:

Fatmir Gjinaj, the co-founder and President of F&D Partners, who owned 50% of the share of F&D Partners, agreed to buy out the other co-founder of F&D Partners, Donald Kwon who also owned 50% of F&D Partners' shares. Therefore, Fatmir Gjinaj becomes 100% shareholder of F&D Partners.

The share purchase, which is mostly an internal decision, will not affect any of the services or clients, therefore no notifications have been sent to them.

Also, the contact information for Customer service contact in PUC 3006.02(d) section in the Natural Gas Application Form has changed to:

Name and Title: Fatmir Gjinaj, President

Address: 501, 5th Avenue, STE 901, New York, NY 10017

Telephone: 917-754-3588

E-mail: fatmir.gjinaj@fanddpartners.com

Please let us know if any additional filings need to be made with the New Hampshire Department of Energy. If you have any questions, please do not hesitate to contact Eva Liksenaj at accounting@fanddpartners.com or Fatmir Gjinaj at fatmir.gjinaj@fanddpartners.com.

Thank you
