Dear Jerry:

You have requested that the New England Power Pool (“NEPOOL”), a voluntary association of entities that participate in the wholesale electric markets in the six New England states, indicate to you whether Dynegy Marketing and Trade, LLC (“Dynegy”) is a member “in good standing in NEPOOL.” This letter is in response to that request.

As of the date of this letter, Dynegy is a NEPOOL member, entitled to full rights and subject to full obligations of members as set forth in the Second Restated NEPOOL Agreement, which is NEPOOL’s governing document. Dynegy was accepted for membership in NEPOOL effective as of June 1, 2010 pursuant to a FERC order issued June 24, 2010 in Docket No. ER10-1364-000, subject to the conditions and waivers agreed to between NEPOOL and Dynegy reflected in that filing.

Dynegy is also a Market Participant under the ISO New England Inc. (“ISO-NE”) Transmission, Markets and Services Tariff (“Tariff”) pursuant to a Market Participant Service Agreement by and between Dynegy and ISO-NE.<sup>1</sup> Dynegy is not in default of its obligations under the NEPOOL Agreement or the Tariff, which could otherwise result in a suspension or termination of Dynegy’s status as a NEPOOL Participant and Market Participant. Dynegy has not requested termination of, nor has NEPOOL received an application or has a request pending for, the termination of Dynegy’s status as a NEPOOL Participant or as a Market Participant under the Tariff.

Respectfully,

A handwritten signature in black ink, appearing to be "S. Lombardi", written over a horizontal line.

Sebastian Lombardi  
Secretary

<sup>1</sup> The MPSA with Dynegy is reported by ISO-NE as MPSA No. 431.
