RE: **REG 2022-048** – Acclaim Energy, LTD  
Non-renewal Gas Aggregator Application

Dear Mr. Pedraza:

On April 15, 2024, Acclaim Energy, LTD's authorization to conduct business as a gas aggregator in the State of New Hampshire expired. As no renewal registration was received within 60 days prior to the registration expiration, Acclaim Energy, LLC is no longer authorized to conduct business as a gas aggregator in the State of New Hampshire.

Should you have an interest in resuming business as an aggregator of natural gas supply service in New Hampshire, a registration application compliant with N.H. Code of Administrative Rules Puc 2003.05 (electric) and/or Puc 3003.05 (natural gas) must be submitted along with a \$250 application fee. Until such time as a new registration application is received and approved, Acclaim Energy, LLC shall not market to, make legally binding offers to, or enroll any New Hampshire customers.

Effective July 1, 2021, regulatory responsibility for competitive retail suppliers and aggregators of electric and natural gas supply transferred from the N.H. Public Utilities Commission to the N.H. Department of Energy. Should you have any questions, please contact me via email at [registrations@energy.nh.gov](mailto:registrations@energy.nh.gov), by phone at 603-271-3670, or by U.S. Mail at the New Hampshire Department of Energy, 21 South Fruit Street, Suite 10, Concord, NH 03301.

Sincerely,

A handwritten signature in blue ink that reads "Gary Cronin".
