A Proclamation

In the year of our Lord Two Thousand and Twenty-Three

SAFE DIGGING MONTH
APRIL 2023

WHEREAS, all individuals, corporations, and government bodies planning to excavate, blast, or demolish, need to determine the location of underground utilities; and

WHEREAS, in New Hampshire, all entities entitled to excavate, except in the case of emergency, are required to provide notice 72 hours in advance to each potentially affected underground utility company; and

WHEREAS, Dig Safe System, Inc., offers an efficient and economical means of determining what companies have underground utilities in a particular area and where they are located; and

WHEREAS, Dig Safe System, Inc. is a nonprofit company established to protect the facilities of public utilities by receiving notification from excavators and transmitting them to the utilities, which respond by locating and marketing their facilities prior to the excavation work; and

WHEREAS, this one-call system helps excavators comply with the safety rules and regulations of the construction industry, avoid costly damage, promote public safety, and reduce the time of notification;

NOW, THEREFORE, I, CHRISTOPHER T. SUNUNU, GOVERNOR of the State of New Hampshire, do hereby proclaim **APRIL 2023** as **SAFE DIGGING MONTH** in the State of New Hampshire, and call this to the attention of all citizens.
