## Electric Aggregator Assessment Exemption Claim Form

Aggregators of electric load earning less than \$10,000 in gross revenue in New Hampshire during the January 1 through December 31 calendar year may be eligible for an exemption<sup>1</sup> from the annual assessment.

If you believe you are eligible for this exemption, complete and submit the exemption assessment claim form below.

Exemption claim forms may not be submitted before July 1 and must be submitted no later than July 30 of the same year for which the exemption is requested.

Completed, signed forms should be emailed to: [exemptions@energy.nh.gov](mailto:exemptions@energy.nh.gov).

Please use one form per registration. For example, if your company is registered as both an electric aggregator and as a natural gas aggregator, file a separate form for each registration type.
