Dear Surya Panditi,

On July 12, 2021, Enel X North America submitted an application with the Department of Energy (DOE) to renew its registration as a provider of electric aggregation service.

DOE Staff filed a memorandum on October 11, 2021, in which it confirmed its review of the application and its conclusion that the application is complete. Staff recommended that Enel X North America registration renewal application be approved for a two-year term, beginning on September 19, 2021, pursuant to Puc 2003.06(e)(1).

Pursuant to Puc 2003.06(a), you must submit your next renewal application at least 60 days prior to the expiration of the approved registration term, on or before July 21, 2023.
