Re: Update to License Application Information of Everyday Energy, LLC d/b/a Energy Rewards

To whom it may concern:

Pursuant to NH Code Admin. R. PUC 2003.01(j), Everyday Energy, LLC d/b/a Energy Rewards (“Everyday Energy”) hereby submits this update to information included with its license application. Everyday Energy is providing this update because effective January 1, 2022, Everyday Energy will begin contractually relying on its affiliate Dynegy Marketing & Trade, LLC (“DMT”), as a member of the New England Power Pool, Inc. (“NEPOOL”), to procure power in the wholesale market on its behalf. To that end, Everyday Energy is enclosing with this submission its CONFIDENTIAL Agency Agreement between Everyday Energy and DMT and a letter of good standing on behalf of DMT from ISO New England, Inc. Also included with this submission is a redacted version of the Agency Agreement and a petition for protective treatment of the CONFIDENTIAL Agency Agreement.

Please do not hesitate to contact me if you have any questions or require additional information. Thank you.

Sincerely,

Alexander W. Judd
