Re: Fidelity Energy Group, LLC (Fidelity Energy)  
Application to Renew Registration as Provider of Natural Gas Aggregation Services

Dear Mr. Griffin:

On June 10, 2021, Fidelity Energy Group, LLC (Fidelity Energy) submitted an application to the Commission to renew its registration as a provider of natural gas aggregation services.

Commission Staff (Staff) filed a memorandum on October 29, 2021, in which it confirmed its review of the application and its conclusion that the application meets the requirements for registration under N.H. Admin. R., Puc 3000. Staff recommended that Fidelity Energy's registration renewal application be approved for a two-year term, beginning on September 17, 2021.

The Commission has approved Staff's recommendation. Accordingly, Fidelity Energy's application for registration renewal is approved, effective as of September 17, 2021. The renewed registration is for a term of two years and expires at the close of business on September 17, 2023. Pursuant to Puc 3003.06(a), Fidelity Energy must submit the next renewal application at least 60 days prior to the expiration of the approved registration term, on or before July 19, 2023.

Please be aware that registered providers of natural gas aggregation services are subject to specific requirements contained in N.H. Admin. R., Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at:  
<http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>.
