Subject: Insight Energy, LLC - Electric and Gas Aggregator Applications

Some people who received this message don't often get email from registrations@energy.nh.gov. [Learn why this is important](#)

Good afternoon Mike,

Today, our office received applications and payments for Insight Energy LLC, to register as a Electric and Gas Aggregator. Unfortunately, whomever completed the forms appears to have reference the NHPUC website and used outdated forms. As of July 1, 2021, when the NH Department of Energy was formed, the responsibility for Aggregators and suppliers was moved to the newly formed department. At that time, the forms were revised. Before Insight Energy's applications can be reviewed for approval, they will need to be resubmitted on the correct forms.
