IP 2022-01 - NOTICE OF TECHNICAL SESSION

On December 5, 2023, the Department of Energy (“Department”) issued an Order of Notice initiated a proceeding to investigate the potential modification of the rules of the Public Utilities Commission in PUC 903.01(e) to ensure cost-effective, predictable, and timely interconnection procedures for customer generators to the state’s electric distribution system.

The Department will hold a two-hour virtual technical session on **Monday, May 15, 2023 at 10:00am** to discuss the issues in the attached agenda. Please note, this agenda is only a guide and other issues may be discussed.

A meeting invite will be sent to all persons on the service list at least one-week prior to the technical session. Participants wishing to be on the service list for this proceeding should provide an email address to Proceedings@energy.nh.gov. Please include the above referenced docket number in the subject line of any email.
