Dear Brett Jurishi

On July 16, 2021, Marketing Systems Group LLC submitted an application with the Department of Energy (DOE) to renew its registration as a provider of electric aggregation service.

DOE Staff filed a memorandum on October 11, 2021 in which it confirmed its review of the application and its conclusion that the application is complete. Staff recommended that Marketing Systems Group LLC registration renewal application be approved for a two-year term, beginning on October 19, 2021 pursuant to Puc 2003.06(e)(1).

The renewed registration is for a term of two years and expires at the close of business on October 19, 2023. Pursuant to Puc 2003.06(a), you must submit your next renewal application at least 60 days prior to the expiration of the approved registration term, on or before August 20, 2023.

Please be aware that registered providers of electric aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 2000 – Competitive Electric Power Supplier and Aggregator Rules. These rules are available at:
