Re: 2024-067 – Reliable Power Alternative Corp.  
Electric Aggregator Renewal Application

Dear Mr. Martorella:

On June 5, 2024, Reliable Power Alternative Corp. filed an application with the New Hampshire Department of Energy (Department) to renew their registration as an electric aggregator.

Multiple communications were sent addressing missing documentation to process your application. Because information required to complete the application was not provided within 60 days of the request for that information, pursuant to N.H. Admin. R. Puc 2003.01(c), Reliable Power Alternative Corp's application for registration as an electric aggregator has been rejected, pursuant to Puc 2003.01(c) and this file shall be closed.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jared Chicoine".
