RFP #2022-004

NEW HAMPSHIRE PUBLIC UTILITIES COMMISSION

REQUEST FOR PROPOSALS

**Grants for Renewable Energy Generation Projects in the
Nonresidential Sector**

	Questions	Answers
1.	Can a facility which has previously received an award from this program apply for funding toward a project at the same facility with a proposed project scope of work that is entirely different from the previously awarded project?	A facility that has been awarded funding in this program for project work in the past, is eligible to apply for a project scope of work entirely unrelated to past funded project work at the facility.
2.	Can a proposer incur costs prior to final grant agreement approval?	RFP #22-004 states that "Costs incurred prior to final grant agreement approval by the Governor and Executive Council are not eligible for reimbursement." (RFP #22-004, I.C. (9), pg. 5). Therefore, no costs incurred prior to approval of a grant contract by the Governor and Executive Council are eligible for funding.
