RFP #2024-013

NEW HAMPSHIRE DEPARTMENT OF ENERGY

REQUEST FOR PROPOSALS

Grants for Renewable Energy Generation Projects in the Nonresidential Sector

	Questions	Answers
1.	In the last sentence of the first paragraph of the Executive Summary section that disqualifies solar projects from this solicitation, does it mean that solar projects are only eligible for the C&I grant program that provides up to ~\$10,000 only and that is the only option for solar in the State now?	For information on funding opportunities for solar projects including the <u>C & I Rebate Program</u> , please visit our website: Funding Opportunities NH Department of Energy .
