Re: Conditional Approval Confirmation of Final Proposal 2023-205

Dear Commissioner Chicoine:

At its meeting on March 15, 2024, the Joint Legislative Committee on Administrative Rules (Committee) voted, pursuant to RSA 541-A:13, V(a), to conditionally approve Final Proposal 2023-205 of the Department of Energy (Department) containing En 700 on rules for sewer utilities. The Committee's approval was conditioned on amending Final Proposal 2023-205 as specified in the Department's amended conditional approval request dated February 26, 2024, received by OLS on February 29, 2024.

On March 18, 2024, our office received your written response indicating how Final Proposal 2023-205 was amended in accordance with the conditional approval. We have reviewed the explanation pursuant to RSA 541-A:13, V(a), and we have determined that Final Proposal 2023-205 has been amended in accordance with the conditional approval and RSA 541-A:13, V(a). Therefore, you may now adopt and file the rules in Final Proposal 2023-205, as amended.

If you have any questions concerning the provisions of RSA 541-A relative to responses or adoptions, please contact me at rebecca.ricard@leg.state.nh.us.

Sincerely,
