Re: Conditional Approval Confirmation of Final Proposal 2024-92

Dear Commissioner Chicoine:

At its meeting on October 17, 2024, the Joint Legislative Committee on Administrative Rules (Committee) voted, pursuant to RSA 541-A:13, V(a), to conditionally approve Final Proposal 2024-92 of the Department of Energy (Department) containing En 300 on rules for electric service. The Committee's approval was conditioned on amending Final Proposal 2024-92 as specified in oral testimony, which is shown in the document with the header "Amended Conditional Approval Request" dated October 16, 2024.

On October 18, 2024, our office received your written response indicating how Final Proposal 2024-92 was amended in accordance with the conditional approval. We have reviewed the explanation pursuant to RSA 541-A:13, V(a), and we have determined that Final Proposal 2024-92 has been amended in accordance with the conditional approval and RSA 541-A:13, V(a). Therefore, you may now adopt and file the rules in Final Proposal 2024-92, as amended.

If you have any questions concerning the provisions of RSA 541-A relative to responses or adoptions, please contact me at rebecca.ricard@leg.state.nh.us.

Sincerely,
