**RE: NHDOE RUL 2024-004 (Rulemaking Notice No. 2024-92)
En 300 Rules for Electronic Service
Unitil Comments on Initial Proposal**

On behalf Unitil Energy Systems, Inc. (“Unitil” or the “Company”) and pursuant to the Department of Energy’s (“DOE”) Revised Rulemaking Notice, Unitil submits the following. Unitil provided preliminary high-level comments during the public comment hearing held on this matter on June 24, 2024. The Company now submits that it supports the written comments filed by Eversource and Liberty regarding the DOE’s Initial Proposal for adoption of En 300 Rules for Electric Service. The Company is available for further discussion should the Department find it necessary. Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "M. Alice D" with a long, wavy flourish extending to the right.
