Re: Conditional Approval of Final Proposal 2024-40

Dear Commissioner Chicoine:

At its meeting on June 21, 2024, the Joint Legislative Committee on Administrative Rules (Committee) voted, pursuant to RSA 541-A:13, V(a), to conditionally approve Final Proposal 2024-40 of the Department of Energy (Department) relative to the adoption of En 400 rules on telephone utilities. The Committee's approval was conditioned on amending Final Proposal 2024-40 as specified in the Department's conditional approval request dated June 13, 2024.

Pursuant to RSA 541-A:13, V(a), you are required to submit a written explanation detailing how the rules have been amended in accordance with the conditional approval within 30 days of the date on which it was made, which was June 21, 2024. In this instance, the 30th day is July 21, 2024, which falls on a Sunday. Pursuant to RSA 541-A:16, IV, the deadline will be extended to Monday, July 22, 2024. The explanation shall include a letter and the text of the entire final proposed rule, annotated to show the amendments.

The explanation shall be reviewed by the Office of Legislative Services to determine whether the rules have been amended in accordance with the conditional approval and RSA 541-A:13, V(a). If it is determined that the rules have not been amended in accordance with the conditional approval and RSA 541-A:13, V(a), the conditional approval will be deemed a Committee vote to make a preliminary objection as of the date of the conditional approval, and you must respond to the preliminary objection as specified in RSA 541-A:13, V(c).

Please be advised that you may not adopt the rules until the Office of Legislative Services sends written confirmation that your amendments are in accordance with the conditional approval and RSA 541-A:13, V(a).

If you have any questions concerning the provisions of RSA 541-A relative to conditional approvals, objections, responses, or adoptions, please contact me at rebecca.ricard@leg.state.nh.us.

Jared Chicoine, Commissioner
FP 2024-40
