Recommendation for and steps taken to guard against repetition of accident: _____

Supervisor's Name / Title: _____
(please print)

Supervisor's Signature: _____ **Date Submitted:** _____

En 508.03(b) states: A utility shall submit a written report on Form E-5 "Utility Accident Report," pursuant to En 509.05, within 10 working days following the occurrence of any accident involving a release of gas from a pipeline, a release of LNG or LPG, or a release of gas from a LNG or LPG facility in which: Any person has been killed; Any person has received an injury which requires same day professional medical treatment; Any person has received an injury which incapacitates that person from active work for a total of 6 days or more during the 10 days immediately following the accident; or Any property damage over \$5,000 in amount has been caused. If any event later occurs in connection with an accident which renders an accident reportable under this section or results in an additional reportable occurrence listed in (b)(1) through (4) associated with a report previously submitted, the utility shall submit a new or updated report, as appropriate. A utility shall submit concurrently to the department a copy of any written accident or incident report submitted to the federal government.
