Dear Director,

Enclosed, please find the Registration Renewal Application of Aggregators for Secure Energy Solutions, LLC (DM17-061), as we intend to continue providing electric aggregation services within the service areas identified in our application. Also included is our renewal fee of \$125.00, check number 8960. There have been a few changes to note in this renewal application, namely our customer service & retention representative and business location has been updated. The address change was submitted to the Commission as a separate filing in 2017. Please contact myself should any additional information be required, I am happy to help.
