Price: The price for energy is \_\_\_\_\_¢ KWH. This is a fixed price for the term beginning \_\_\_\_\_, 20\_\_\_\_. There is no monthly base charge. Your price covers your cost for energy commodity (all generation sources), scheduling, capacity, settlement and other ancillary services. Your price does not include any other charges including, but not limited to, the price of transmission and distribution, the systems benefits charge, stranded cost recovery charge, all other EDC charges, fees and assessments and taxes. In the event of certain changes in law or regulation, you may be required to pay additional pass-through charges, as provided in the Terms of Service. After the end of your Initial Term, this Agreement will continue on a month-to-month basis and your price will become variable and posted on our website at www.summerenergy.com. That price may be higher or lower each month at our discretion. The section call "Pricing" below in the Terms of Service below describes how your fixed price is subject to change based on the imposition of certain fees or costs, and how we use various factors to determine your variable price.

Term: The term of this contract begins on the date set forth below and will continue for an initial term that ends \_\_\_\_\_, 20\_\_\_\_ (\_\_\_\_) calendar months from the date of this contract, regardless of the number of meter reads you receive.

By my signature below (facsimile signature accepted as if it were an original), I hereby agree to be obligated by the attached terms and conditions set forth in the Residential Electricity Authorization and Terms of Service, which is attached hereto and incorporated by reference as if set forth herein verbatim.
