RE: Renewal, DM 19-034

Dear Mr. Chicoine:

Enclosed, please find materials for the renewal of Taurus Advisory Group LLC's license as an Electric Load Aggregator in the State of New Hampshire.

Regarding Statement, Puc 2006.02(h)(3), please note the applicant did settle a civil case in 2018; however, the case did not include any customer as a plaintiff and had no connection to consumer protection laws or regulations. In our initial application and 2021 renewal, we originally indicated YES to the above referenced question and provided a confidential explanation in a cover letter, but in re-assessing this question, we changed our response for the 2023 renewal and remained consistent to 2023 for this year's renewal application.

Please don't hesitate to contact me directly in request of clarification or additional documentation.

Thanks so much for your time and efforts in the consideration of our submission.

Best,

Nathan Burroughs
