**Re: Titan Gas, LLC d/b/a/ CleanSky Energy's Request for Hearing
Application to Register as a Competitive Electric Power Supplier**

Mr. Cronin:

My colleague, Collin Crecco, and I represent Titan Gas, LLC d/b/a/ CleanSky Energy ("CleanSky"). On January 3, 2022, CleanSky filed an application with the New Hampshire Department of Energy ("Department") to register as a competitive electric power supplier ("CEPS"). On June 24, 2022, the Department denied CleanSky's application due to a number of "customer complaints" reported in other states.

Pursuant to PUC 2003.01(f), CleanSky submits this request for a hearing in order to be afforded the opportunity to demonstrate that (1) the number of "customer complaints" is misleading; (2) CleanSky does not engage in (a) misleading or deceptive marketing or sales practices, (b) inaccurate billing when billed by the CEPS, (c) fraud, (d) slamming, meaning the initiation of the transfer of a customer to a new CEPS without the customer's authorization, or (e) other practices found to be harmful or potentially harmful to customers; and (3) CleanSky's application should be approved by the Department.

Thank you for your consideration. I look forward to your response.

Sincerely,

A handwritten signature in black ink that reads 'M Burke'.
