Re: Town Square Energy, LLC Information Update (Former PUC Docket No. DM 18-127)

Dear Sir or Madam:

Pursuant to Puc 2003.02 (h), please be advised that Town Square Energy, LLC (“TSE”), has changed its main business mailing address. The new address is as follows:

Town Square Energy
2200 E Williams Field Road
Suite 200
Gilbert, AZ 85295

TSE requests that the Department of Energy change its information on file for TSE to substitute the new main business address and, additionally, to list Michael Stein - who has recently taken on new duties as the TSE CEO - in place of Randal Miller.

Sincerely,

Robert J. Munnelly, Jr.
