Traditional Group Annual Change Report Form
(Puc 909.07, Puc 909.10(a)(2), and Puc 909.06(e))

Traditional Group Hosts may use this form to supplement their Group Host Annual Report if there are changes to Host or Member information for the reporting calendar year.

Group Name: _____

Registration #: _____

This Report Pertains to Calendar Year _____.

Host Information:

Provide any changes in the host's name, trade name, mailing address, service address, telephone number, email address, website address, name of distribution utility, meter number, and/or account number, since the time of initial registration, re-registration, or most recent report:

Group Member Information (attach additional sheets if necessary):

Provide any changes in the information pertaining to current group members, including changes to their names, billing or service addresses, account numbers, meter numbers, and/or actual or projected annual usage, since the time of initial registration, re-registration, or most recent report:

For any member who left the group during the calendar year covered by this annual change report, please state the departing member's name, billing address, service address, account number, meter number, and projected annual load, and provide the effective date when the member left the group:

For any member who joined the group during the calendar year covered by this annual change report, please state the effective date when the member joined the group, and provide the following information for each new member: name, billing address, service address, account number, meter number, and actual or projected annual usage:

Puc 909.06(e)(4) and 909.06(g) Certifications:

Please certify the following (check each box):

- Except as otherwise permitted under Puc 902.16 and 902.22, no existing or new member is a customer-generator.
- The information provided in this report is true, accurate, and complete, to the best of my knowledge and belief.

Host Signature: _____

Date: _____

This form is provided as a convenience for submitting an annual change report pursuant to the Commission's group net metering requirements set forth in Puc 909; the use of this form is not required.
